

Decking

Commercial and residential

With more than 30 different profiles and sizes available, Recycled Timbers offers the ideal timber product for any decking application, including commercial and residential decking projects.

Whether it be a large commercial boardwalk or an intimate poolside retreat, Recycled Timbers stocks a wide range of decking timbers to suit your project.

Our decking is available in a range of high-durability, sustainably sourced timbers.

With the blurring of lines between the popular open spaces of indoor and outdoor living today, a hardwood timber deck is a natural

choice when creating a relaxed, durable, and inviting space.

Providing a connection to the natural environment, Recycled Timbers' decking timbers feature in many award-winning projects throughout Australia and overseas.

Our impressive range of hand-selected timbers suits contemporary and traditional designs across the commercial and residential building industry.
